ABOUT

RUBY ROCKS

Ruby Rocks is a Singapore based rock and alternative band known for high energy live shows, crowd interaction, and eclectic setlists that keep audiences dancing all night long.

Blending classic rock, alternative favourites, unexpected throwbacks, and heavier modern material, the band has built a strong following across Singapore's live music scene through performances at venues including Hero's, Blackbird, Warehouse, Wings, Handlebar and more.

More than just a live band, Ruby Rocks creates an atmosphere that feels spontaneous, energetic, and connected to the crowd, turning every show into a memorable night.
